Re: First Amended Application

State "R" Well No. 2 Lots 9-16 of Irregular Section 1, T21S, R34E, NMPM Application of Santa Fe Snyder Corporation for compulsory pooling, Lea County, New Mexico

Dear Ms. Wrotenbery:

Yesterday, on behalf of Santa Fe Snyder Corporation, I filed the referenced compulsory pooling application which included a well location 3300 feet from the south line and 660 feet from the west line of this section.

This letter will confirm the amendment of the original application, the notice of hearing and the OCD advertisement of this case to reflect a well location of 3300 feet from the south line and 990 feet from the west line.

Please call me if you have any questions.
