1           WHEREUPON, the following proceedings were had at  
2 8:48 a.m.:

3           EXAMINER STOGNER: Case Number 12,481, this is in  
4 the matter of the hearing called by the Oil Conservation  
5 Division for an order creating, abolishing, and extending  
6 certain pools in McKinley, Rio Arriba, Sandoval and San  
7 Juan Counties, New Mexico.

8           Referring to pages 6 through 11, this is the  
9 proposed changes, creations, abolishments and extensions to  
10 the oil and gas pools in District 3 out of our Aztec  
11 Office.

12           There are a few changes, a few amendments, few  
13 corrections, that need to be addressed, first being on page  
14 9, subparagraph (r) as in Romeo, Township 28 North, Range  
15 11 West, Section 26. It's shown to be the northwest  
16 quarter and the south half, to be extended. This should  
17 read, more appropriately, the northwest quarter and the  
18 southeast quarter. So south half is incorrect and should  
19 be changed to southeast quarter.

20           On page 10, down at the bottom, subparagraph (cc)  
21 as in Charlie Charlie, extension of the Rosa-Pictured  
22 Cliffs Pool in Rio Arriba County to include -- and what was  
23 left out is, in Township 31 North, Range 5 West, Section  
24 31, east half should be included, along with what is shown  
25 for the extensions in 31 North, 6 West.
