Dear Mr. Bruce:

I have reviewed your application dated July 26, 2000 whereby you requested an exception to Division Order No. R-8170, as amended, to extend the time period to make up underproduction from the gas proration unit containing the Conoco State Wells No. 2 and 6, Indian Basin-Upper Pennsylvanian Gas Pool, Eddy County, New Mexico. I have determined that this application should be set for hearing before a Division examiner.

Please advise me if and when you would like this application placed on the Division examiner docket.

If you should have any questions, please contact me at (505) 827-8184.

Sincerely,

David Catanach
