Re: Farmington A #100  
Proposed Fruitland Coal New Drill  
S/2 Sec. 1, T29N, R13W  
San Juan County, New Mexico

Dear Gentlemen:

Burlington resources is applying for NMOCD approval of an off pattern gas well location for the Basin Fruitland Coal. The hearing is scheduled for December 7, 2000.

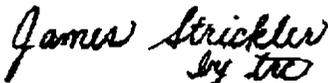

The Farmington A #100 was staked at the referenced location at the request of the City of Farmington because the SW/4 of Sec. 1 is being developed for Home Depo and other retail businesses.

Production from the Fruitland Coal pool is to be included in a 320.00 acre gas spacing and proration unit for the south half (S/2) of Section 1.

Burlington Resources is notifying you as an offsetting operator. We are requesting that you sign one faxed copy of the waiver below and return it to the attention of Alan Alexander via fax (505) 326-9781 before December 7<sup>th</sup>. Also attached for your information is a copy of the C102 Well Location Plat, and a map showing the offsetting operators/owners.

If you have any immediate questions regarding this matter, please contact Alan Alexander at (505) 326-9757.

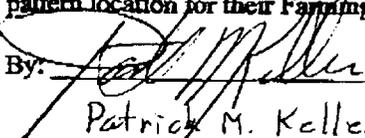

Sincerely,

James R.J. Strickler, CPL  
Senior Staff Landman

## WAIVER

Maralex Resources Inc. hereby waives objection to Burlington Resources' application for an off pattern location for their Farmington A #100 as proposed above.
