Re: NMOCD Case 12559
Application of Trilog Operating, Inc.
for compulsory pooling,
Houser Well No. 2
SW/4SE/4 Section 1, T20S, R38E
Lea County, New Mexico

Dear Mr. Stogner:

Following the hearing this morning of the referenced case, I have determined that while my copy of the Application and Notice of Hearing sent to all parties was correct, the OCD advertisement for this case is not correct. The advertisement incorrectly referred to the Houser Well No. 1 in the NW/4SE/4 instead of the correct well name and location: The Houser Well No 2 in SW/4SE/4. In addition, the exhibits submitted this morning correctly refer to the Houser Well No 2.

Accordingly, I would appreciate you continuing and re-advertising this case to January 11, 2001 and correct the advertisement as shown on the attached advertisement.

Very truly yours,

W. Thomas Kellahin
