W/2 Spacing Unit
Section 7, T-24-S, R-34-E
Lea County, New Mexico
Mize/Sassoon Prospect

Gentlemen:

EOG Resources, Inc. ("EOG") hereby proposes the drilling of the Bell Lake Unit #8 Well, at the captioned location to a depth of 14,500' in order to test the Morrow formation. Enclosed for your review and approval is EOG's Joint Operating Agreement ("JOA") and AFE containing the estimated cost of the above-proposed operation.

Please advise EOG whether or not you elect to participate in the drilling of the above proposed Bell Lake Unit #8 Well by placing an "X" in the space before your desired election below, signing and dating this letter and returning same to Karen Cook at the letterhead address.

Should you elect to participate, then please sign and date the enclosed AFE, have the two (2) JOA signature pages signed and notarized and return one (1) signed and notarized JOA signature page to EOG along with one (1) signed copy of this election letter and the signed AFE to Karen Cook.

Your prompt response to this proposal will be appreciated. Should you have any questions concerning the above, then please contact me at (915) 686-3730.

Sincerely,

EOG RESOURCES, INC.

Gentlemen:

On November 29, 2000 EOG Resources, Inc. ("EOG") proposed the drilling of the Bell Lake Unit #8 well, at the captioned location to a depth of 14,500' in order to test the Morrow formation. Due to the New Mexico Oil Conversation Division regulations our current location is unorthodox and must be moved. We are proposing to move the location to 660' FWL & 1980' FNL.

If this meets with your approval, please place an "X" in the space below on whether or not you elect to participate in the drilling of the above proposed Bell Lake Unit #8 well at the new location, signing and dating this letter and returning same to Karen Cook at the letterhead address.

Your prompt response to this proposal will be appreciated. Should you have any questions concerning the above, then please contact me at (915) 686-3730.

Sincerely,

Gentlemen:

On November 9, 2000 EOG Resources, Inc. ("EOG") sent you a letter hereby proposing the drilling of the Bell Lake Unit #8 Well, at the captioned location (location changed in letter to you dated January 12, 2001) to a depth of 14,500' in order to test the Morrow formation. Additionally, EOG enclosed for your review and approval is a Joint Operating Agreement ("JOA") and AFE containing the estimated cost of the above-proposed operation with it's November 9th letter.

A forced pooling hearing is scheduled for March 8, 2001, and therefore EOG is sending this letter to you to give you the opportunity once again to make your election before the hearing date.

Please advise EOG whether or not you elect to participate in the drilling of the above proposed Bell Lake Unit #8 Well by placing an "X" in the space before your desired election below, signing and dating this letter and returning same to Karen Cook at the letterhead address.

Should you elect to participate, then please sign and date the enclosed AFE, have the two (2) JOA signatures pages signed and notarized and return one (1) signed and notarized JOA signature page to EOG along with one (1) signed copy of this election letter and the signed AFE to Karen Cook.

Should you not desire to participate, EOG would consider taking a farmout or term assignment of your interest. A farmout or term assignment would be for reasonable terms and would be subject to final EOG Management approval.
