STATEMENT OF THE CASE

OXY USA WTP Limited Partnership ("OXY") seeks the issuance of a compulsory pooling order for certain mineral interests from the surface to the base of the Morrow formation underlying the W/2 Section 15, T20S, R25E, Eddy County, New Mexico.

The well is the Limousine Federal Com Well No. 1 to be drilled at a standard well location in Unit E of Section 15.

Despite its efforts, OXY has not be able to obtain the voluntary agreement of various unleased mineral owners within the spacing unit consisting of the W/2 of Section 15.

OXY requests the issuance of a compulsory pooling order.
