Re: Application of Richardson Production Company for compulsory pooling, San Juan County, New Mexico.
ROPCO Well No. 8-3

Dear Interest Owner:

This letter is to advise you that Richardson Production Company has filed the enclosed application with the New Mexico Oil Conservation Division seeking the compulsory pooling of certain spacing and proration units in the S/2 of Section 8, Township 29 North, Range 14 West, NMPM, San Juan County, New Mexico. Said units will be dedicated to its proposed ROPCO Well No. 8-3.

This application has been set for hearing before a Division Examiner on April 19, 2001. You are not required to attend this hearing, but as an owner of an interest that may be affected by this application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases are required by Division Rule 1208.B to file a Prehearing Statement three days in advance of a scheduled hearing. This statement must include: the names of the parties and their attorneys; a concise statement of the case; the names of all witnesses the party will call to testify at the hearing; the approximate time the party will need to present its case; and identification of any procedural matters that are to be resolved prior to the hearing.

Very truly yours,
