Ladies and Gentlemen:

According to the our search of the Eddy County Records, you own a mineral interest under the captioned tract of land. You and numerous other persons, whom appear to be family members, divided a 1/24 mineral interest that was at one time owned by Adrian and Gladdus Berryhill.

We are interested in leasing your mineral interest for oil and gas development or to purchase your mineral interest.

Our proposal is to lease your mineral rights for \$40.00 per net acre with a 1/6 royalty and a five year primary term or to purchase your mineral interest outright for \$100.00 per net mineral acre. We ask that you please respond to this letter, because we need to have everybody under lease before we can drill.

Please, check one of the option below and return this letter to P.O. Box 2265, Roswell, New Mexico 88202 or call me collect at (505) 623-6036.

\_\_\_\_\_ Call me to discuss this proposal at \_\_\_\_\_ (phone number).

Ladies and Gentlemen:

According to the our search of the Eddy County Records, you own a mineral interest under the captioned tract of land. You and numerous other persons, whom appear to be family members, divided a 1/24 mineral interest that was at one time owned by Adrian and Gladdus Berryhill.

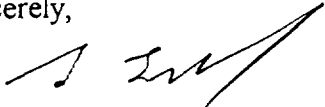

We are interested in leasing your mineral interest for oil and gas development or to purchase your mineral interest.

Our proposal is to lease your mineral rights for \$40.00 per net acre with a 1/6 royalty and a five year primary term or to purchase your mineral interest outright for \$100.00 per net mineral acre. We ask that you please respond to this letter, because we need to have everybody under lease before we can drill.

Please, check one of the option below and return this letter to P.O. Box 2265, Roswell, New Mexico 88202 or call me collect at (505) 623-6036.

\_\_\_\_\_ Call me to discuss this proposal at \_\_\_\_\_. (phone number).

Ladies and Gentlemen:

According to the our search of the Eddy County Records, you own a mineral interest under the captioned tract of land. You and numerous other persons, whom appear to be family members, divided a 1/24 mineral interest that was at one time owned by Adrian and Gladdus Berryhill.

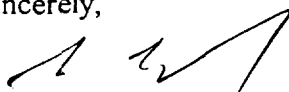

We are interested in leasing your mineral interest for oil and gas development or to purchase your mineral interest.

Our proposal is to lease your mineral rights for \$40.00 per net acre with a 1/6 royalty and a five year primary term or to purchase your mineral interest outright for \$100.00 per net mineral acre. We ask that you please respond to this letter, because we need to have everybody under lease before we can drill.

Please, check one of the option below and return this letter to P.O. Box 2265, Roswell, New Mexico 88202 or call me collect at (505) 623-6036.

\_\_\_\_\_ Call me to discuss this proposal at \_\_\_\_\_. (phone number).  
\_\_\_\_\_ I want to lease, call me at \_\_\_\_\_.  
\_\_\_\_\_ I want to sell my mineral rights, call me at \_\_\_\_\_.

Sincerely,
