Re: Case No. 12704: Application of Tiffany Gas Company appealing Order
Assessing a Civil Penalty, San Juan County, New Mexico

At the conclusion of the hearing on Thursday, August 9, you requested that we supply copies of previous Bradenhead test reports on the Navajo 18 No. 3.

Attached is a copy of the Bradenhead Test Report dated June 13, 1997. Mr. Martin informs me that they retain these reports in the Aztec office only for three years, and that he does not have copies of earlier test reports. However, Tiffany offered certain copies of earlier reports, and we have no reason to believe that the copies they filed are not true copies.
