RE: Inactive wells

Mr. Gum,

Attached is your list of inactive wells for Vintage Drilling, LLC. These wells are down for various reasons and some have not produced since we purchased the lease.

We propose starting January 1, 2001 to put at least 1 well back on production or plugged every 90 days until we have addressed every well on this list.

Thank you for your consideration in this matter.

Sincerely,

Sonny Hope
Owner
