Re: Case 12875; Texakoma Oil & Gas Corporation

Dear Mr. Stogner:

Texakoma Oil & Gas Corporation objects to Dugan Production Corp.'s request to continue the above matter from the June 27th docket. The case has already been continued once. In addition, Texakoma has a drilling program in place, and needs to proceed expeditiously with drilling its proposed well. Moreover, Texakoma is confused by Dugan's objection to the off-pattern location, since Dugan supports infill drilling in the Basin-Fruitland Coal Gas Pool. The request for a continuance should be denied, and Dugan can obtain other counsel to represent it on June 27th.

Very truly yours,

James Bruce by   
Attorney for Texakoma  
Oil & Gas Corporation
