Re: Administrative Order NSL-4596  
Jasper "ARJ" Federal #2  
Sec. 25, T8S-R26E  
Chaves County, New Mexico

Case 12883

Dear Mr. Stogner:

Yates Petroleum Corporation recently received approval for a Foor Ranch Precambrian gas well under the captioned order, however we now request approval for recompletion to the Pecos Slope Abo Pool. The Jasper "ARJ" Federal #2 well is located at 760' FNL and 2240' FEL in Sec. 25, T8S-R26E and was spudded on August 14, 2001. The offset operators to the north are being notified of this application. The other offset leases are being operated by Yates.

Yates Petroleum Corporation requests that this be administratively approved if no objections are received within 20 days.

Please call me at (505) 748-4376 if any other information is needed. Thank you.

Very truly yours,

YATES PETROLEUM CORPORATION
