CERTIFIED MAIL/RETURN RECEIPT REQUESTED

TO: ALL AFFECTED INTEREST OWNERS

Re: Application of Four Star Oil & Gas Company for an unorthodox gas well location, San Juan County, New Mexico.

Ladies and Gentlemen:

This letter is to advise you that Four Star Oil & Gas Company has filed the enclosed application with the New Mexico Oil Conservation Division seeking approval of an unorthodox gas well location for its New Mexico State 32 Well No 2 located 905 feet from the North line and 1830 feet from the West line of Section 32, Township 30 North, Range 11 West, N.M.P.M., San Juan County, New Mexico. The well is at an unorthodox off pattern location in the Basin-Fruitland Coal Gas Pool and Four Star Oil & Gas Company has dedicated the W/2 of Section 32 to the well.

This application has been set for hearing before a Division Examiner on June 27, 2002. You are not required to attend this hearing, but as an owner of an interest that may be affected by this application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases are required by Division Rule 1208.B to file a Prehearing Statement three days in advance of a scheduled hearing at the Division's Santa Fe office located at 1220 South Saint Francis Drive, Santa Fe, New Mexico 87505. This statement must include: the names of the parties and their attorneys; a concise statement of the case; the names of all witnesses the party will call to testify at the hearing; the approximate time the party will need to present its case; and identification of any procedural matters that are to be resolved prior to the hearing.

Very truly yours,

William F. Carr
