ALLOCATION METHOD FOR MEASUREMENT

El Paso sales meter #68367 located in Sec 7, T21S, R22E records the sales volume for (4) Stevens & Tull, Inc. operated wells. One of which is the Leggett Federal #1. Each individual well has its own meter run where the volumes are measured and integrated. These measured values are compared to the sales volume from El Paso's meter. Any and all shrinkage is absorbed proportionately by all wells - including but not limited to the Leggett Federal #1. Sundry notice dated 11/17/94 is attached to provide the well and meter locations.
