Hon. Frank Worden,  
Commissioner of Public Lands,

Dear Mr. Worden:

Referring to our conversation of this morning concerning the date for the proposed hearing by the Oil Conservation Commission.

I have just received a telegram from Mr. A. E. Groff as follows:

"Canvass companies here indicates about June 21st satisfactory date for hearing."

I take it that it means that the companies canvassed are the Shell, The Stanolind, the Humble and possibly the Texas.

Very truly yours,
