**NOTICE FOR PUBLICATION**  
**STATE OF NEW MEXICO**  
**OIL CONSERVATION**  
**COMMISSION**

Pursuant to Chapter 72, Session Laws of 1935, State of New Mexico, by which Act the Oil Conservation Commission of New Mexico was created, investing said Commission with the jurisdiction and authority over all matters relating to the conservation of oil and gas in this State and of the enforcement of all provisions of said Act, notice is hereby given that a public hearing will be held at the Capitol, Santa Fe, New Mexico, on the 18th day of September, 1939, at ten o'clock A. M., for the purpose of considering the following:

Case No. 16:  
The application of Shell Oil Company, Inc., formerly Shell Petroleum Corporation, for a special spacing "to drill a well for the production of oil and gas, to be known as Endura "A" No. 3, at a location 330 feet from the South line and 125 feet from the West line of the SW 1-4, NE 1-4 of said Section 12, Township 21, South, Range 35 East; that said location is sought, for the reason that this applicant desires to attempt to secure production from a narrow belt along the flank of the Eunice structure, and a proposed location at the normal distance—that is to say 330 feet East from the unit line—would be outside of this zone of production," said location being in Lea County.

The resident attorney for the applicant is Honorable J. O. Seth, Santa Fe, New Mexico.  
Any person having any interest in the subject of the said hearing shall be entitled to be heard.  
Given under the seal of said Commission at Santa Fe, New

Mexico, on August 16th, 1939.  
Oil Conservation Commission,  
By Frank Worden, Commissioner of Public Lands.  
By A. Andreas, State Geologist.
