APPLICATION FOR HEARING REGARDING COMMUNITIZATION OF LEASES ON  
A NORTH-SOUTH BASIS ON THE WEST TIER OF SECTIONS, TOWNSHIPS 29  
NORTH, RANGE 8 WEST  
SAN JUAN COUNTY, NEW MEXICO

Mr. R. R. Spurrier  
State Oil Conservation Commission  
State of New Mexico  
Santa Fe, New Mexico

Dear Mr. Spurrier:

Application is hereby made to the State Oil Conservation Commission to have permission granted to communitize the short sections on a North-South basis on the West side of Township 29 North, Range 8 West. This area falls within the Blanco Mesa Verde gas field or the Largo Canyon Mesa Verde gas field. This application is being made to prevent waste and unnecessary drainage and to give the operators who own the acreage on the West side of the above-named township a full drilling unit of 320 acres in order to obtain full allowables for wells located in this area.

Please let me hear from you at your convenience.

Very truly yours,

BYRD-FROST, INC.
