Dear Mr. Spurrier:

Supplementing our application of January 8, 1951 regarding communitization of the short sections on the West side of Township 29 North, Range 8 West in San Juan County, New Mexico, we enclose herewith four copies of plats showing the suggested communitization units.

In our opinion these units are set out so that they most nearly approximate regular 320 acre units for the Mesa Verde section so as to fit the drilling pattern of the surrounding acreage as nearly as possible.

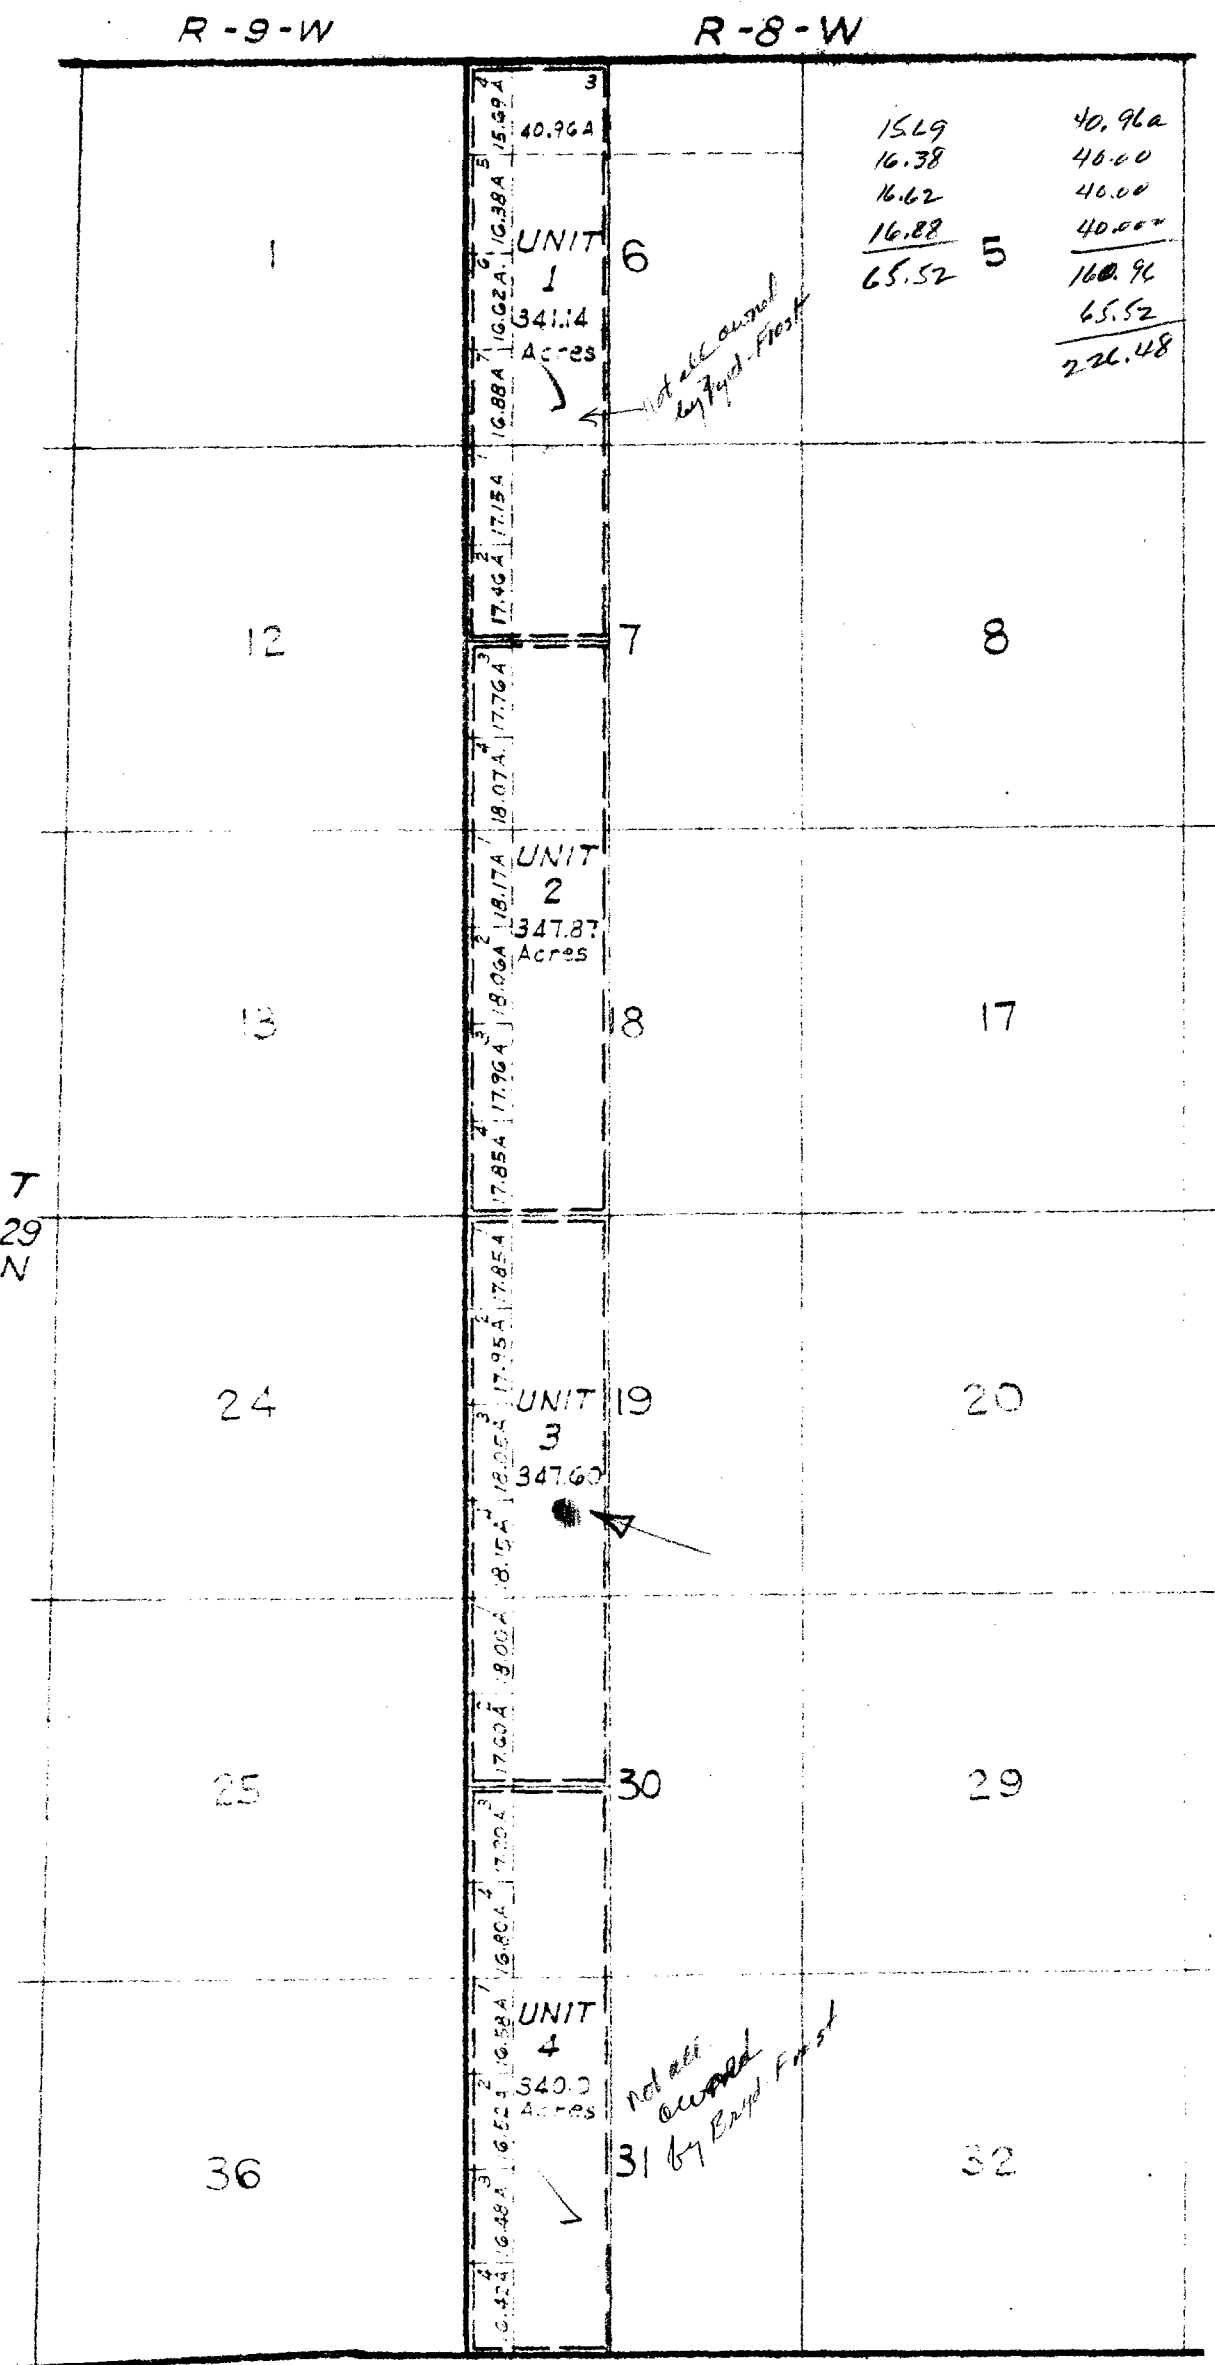

Yours very truly,

BYRD-FROST, INC.
