Case 496

Oil Conservation Commission
of the State of New Mexico
State Land Office
Santa Fe, New Mexico

Gentlemen:

By transmittal letter dated February 6, 1953, we filed for the Commission's consideration the Application of Mr. J. Glenn Turner for an exception to Order No. 799, as amended by Order No. R-110 of the Oil Conservation Commission of the State of New Mexico. In paragraph 6 of such Application, the Applicant made reference to a plat of the areas involved in such Application showing all adjoining leases and wells to be drilled thereon. Through an oversight on our part such plats were not attached to such Application and we are forwarding three copies of same herewith. If you will be so kind as to attach such plats to the Applications mentioned above we will greatly appreciate the courtesy.

Yours very truly,

TURNER, WHITE, ATWOOD, McLANE
AND FRANCIS
