Re: Case 719
Application E. G. Rodman

Dear Mr. Macey:

I wrote Mr. Rodman on August 21st with respect to the above case and had anticipated that he would probably want to dismiss the same and file separate applications for approval of the 80-acre tracts involved in the respective sections for non-standard proration units; however, I have not heard from Mr. Rodman and for that reason, I would like to have this case continued until the October hearing and you may consider this letter as a motion for continuance of the case.

Yours very truly,

HERVEY, DOW & HINKLE
