OIL CONSERV. COMMISSION
SANTA FE, NEW MEXICO

CASE 1257 5

The allowable set forth above supersedes all previous allowables set for this well or wells irrespective of the manner in which such previous allowables were set, unless otherwise noted under "Remarks."

This letter constitutes authority for the purchaser or gatherer of oil produced from this well or wells, to take the allowable production accumulating or accumulated from the effective date above shown until the issuance of a new schedule in which the allowable for this well or wells will be included. The presentation of this letter, which you will deliver to the operator owning such well, in support of an SW-2, will be authority for the clearance of such accumulated production.
