New Mexico Oil Conservation Commission  
Santa Fe, New Mexico

Attention: Mr. O.E. Payne

Gentlemen:

The Commission has set for examiner hearing on September 7, 1960 Case No. 2067, being our application for an oil-gas dual completion on the Elizabeth Federal Well No. 1, located in Unit H, Section 18, Township 24 North, Range 7 West, Rio Arriba County, New Mexico.

Due to an unforeseen delay in the completion of this well and to the fact that we have not secured sufficient evidence at the time from other wells to have sufficient testimony, we respectfully request that the hearing on this application be postponed and reset at the earliest possible future hearing.

Your kind attention to this request will be greatly appreciated.

Yours very truly,

DORFMAN PRODUCTION COMPANY
