A P P L I C A T I O N

Comes now the applicant, Southwest Production Company, a partnership consisting of Joseph P. Driscoll and John H. Hill, and for its application alleges and states:

1. That it is the owner of numerous oil and gas leases covering portions of the West Half (W $\frac{1}{2}$) of Section 10, Township 30 North, Range 11 West, N.M.P.M., in San Juan County, New Mexico, and that it has drilled and completed a well in the Dakota formation in the Northeast Quarter of the Southwest Quarter (NE $\frac{1}{4}$ SW $\frac{1}{4}$) of Section 10.

2. That there are various parts of the West Half (W $\frac{1}{2}$) of the above described Section 10 that are unleased, whose owners have not agreed to join with the applicant in the drilling, completion and producing of the above described well and, although the applicant has made a reasonable effort to obtain oil and gas leases and/or the joinder of the owners of the unleased portions of the above described proration unit, it has been unable to obtain such leases and/or the joinder of the owners of the unleased portions of said unit, and the applicant, therefore, desires that the interest of any and all of said persons be force pooled in accord with the statutes of the State of New Mexico and the rules and regulations of the Oil Conservation Commission of the

State of New Mexico.

3. That applicant desires to dedicate the Basin-Dakota production from the above described well located in the NE $\frac{1}{4}$ SW $\frac{1}{4}$ of the above described Section 10 to the entire West Half (W $\frac{1}{2}$) of Section 10, and that the Commission should constitute the applicant as the "Operator" of the pooled unit.

4. That applicant has undergone considerable risk in the drilling and completion of the above referred to well, and that under the statutes of the State of New Mexico and the rules and regulations of the Oil Conservation Commission applicant is entitled to, and should be allowed to take and receive 7/8ths of any and all production had from the above referenced well until such time as it has been reimbursed in an amount equal to 125% of its actual cost of drilling, completing and equipping said well, plus a reasonable compensation for the supervision of the drilling and completion thereof, and a reasonable compensation for the operation thereof.

5. That the force pooling order herein requested is necessary in order to prevent waste and in order to protect the correlative rights of the parties.

6. That a list of the interested parties in this application together with their addresses, insofar as the same are known to the applicant, is set out in Exhibit "A" attached hereto and made a part hereof.

WHEREFORE, applicant prays that this application be set down for hearing at the earliest possible date, that due notice thereof be given in accord with the rules and regulations of this Commission, and the laws of the State of New Mexico, and that after hearing, from the evidence to be adduced thereat this Commission enter its order granting the application as above stated.

Respectfully submitted,
