Re: Application for Approval of LACT
System for Production from Culwin
Queen Pool on Hondo Oil & Gas Company
State RD Lease in Section 36, Town-
ship 18 South, Range 30 East, N.M.P.M.,
Eddy County, New Mexico

Gentlemen:

Hondo Oil & Gas Company hereby makes application for permission to operate Lease Automatic Custody Transfer equipment on the subject lease.

In support of this application, Hondo Oil & Gas Company states the following:

1. Hondo Oil & Gas Company is the owner and operator of all producing rights in its State RD Lease which includes the $S\frac{1}{2}$, $W\frac{1}{4}NE\frac{1}{4}$ and $SW\frac{1}{4}NW\frac{1}{4}$ of Section 36, Township 18 South, Range 30 East, N.M.P.M., Eddy County, New Mexico.
2. There is no diversity of royalty ownership underlying the above described lease.
3. The proposed installation will be adequate to accurately measure oil produced and result in efficient accounting of crude oil transferred to the pipe line gathering system.
4. The pipe line company which purchases the crude oil from subject lease has indicated its approval of the design and equipment for the proposed LACT system.

[Handwritten signature and initials]

5. The granting of applicant's request in this case is in the interest of conservation, and will protect correlative rights.
6. In view of proposed Fail Safe features and automatic well control and shut off provisions, the installation of this LACT system will not create any danger of waste.

It is respectfully requested that this matter be set for hearing at any early date.

Respectfully submitted,

HONDO OIL & GAS COMPANY
