MEXICO. }

Case No. 3059

A P P L I C A T I O N

Comes now Frank Darden and applies to the New Mexico Oil Conservation Commission for approval of the Cowtown unit agreement and in support of his application states:

1. That the applicant, Frank Darden, is the owner of all of the working interest in the SW $\frac{1}{4}$ of Section 13, and in the N $\frac{1}{2}$ NW $\frac{1}{4}$ and SW $\frac{1}{4}$ NW $\frac{1}{4}$ of Section 24, all in Township 18 South, Range 28 East, Eddy County, New Mexico.

2. The above described lands, comprising 280 acres, more or less, all are lands of the State of New Mexico.

3. By a separate application, applicant proposes to institute a waterflood project upon the above described State lands.

4. In order to protect the correlative rights of all persons owning any interest in said lands, including the royalty owners, applicant proposes to form a unit to be known as the Cowtown Unit, comprising all of said lands.

5. The formation of this unit will implement the institution of a waterflood project upon these lands and will thereby promote the conservation of oil and prevent waste.

WHEREFORE, applicant requests that this matter be set for hearing before the Commission or one of its examiners, and that the Commission enter its order approving this application.
