

The map displays a section of New Mexico with the Animas River flowing from the upper right towards the lower right. Contour lines indicate elevations from 2450 to 2540 feet. Several towns and locations are marked with star symbols and labels: Harrison, Sammings #1, Primo-Fed. I-A, Primo I, Wudge, and various State Com locations (M-9, L-8-A, L-8, M-9-A). A network of roads is shown, with major roads labeled 36, 31, 32, 6, 5, 12, and 7. A prominent road, likely Highway 1, runs diagonally across the map. The map is overlaid with a grid of latitude and longitude lines. Handwritten annotations in red and black ink provide additional information, including 'E.P.P.L.', 'SU.', and 'CHACRA NOT LOGGED'. The map is a technical drawing with a focus on geographical features and infrastructure.
