CASE NO. 10316

APPLICATION

SENDERO PETROLEUM, INC., through its undersigned attorneys, hereby makes application to the Oil Conservation Division for approval of an unorthodox well location and in support of this application states:

1. Applicant is the operator of Section 24, Township 22 South, Range 23 East, N.M.P.M., Eddy County, New Mexico, and proposes to drill its Lookout Point Federal Well No. 1 at an unorthodox location 660 feet from the North and West lines of said Section 24.
