Re: Water Injection Approval.
Gissler "B" 11 Waterflood Project.
T. 17 S., R. 30 E.,
Eddy County, New Mexico

Gentlemen:

We are in receipt of your letter of March 28, 1991, along with additional information that supports your recommendation that we concur with the expansion of your Gissler "B" 11 Waterflood Project. Your application to the New Mexico Oil Conservation Division (NMOCD) proposes the injection of water into nine additional wells offsetting the original project approved November 14, 1973, NMOCD Order No. R4676. Five of these wells will be on the original Gissler "B" lease, Federal lease NM-2748, while two wells will be on Federal lease LC-029338(a), and two wells will be on Federal lease NM-074939.

We have no objection to your recommendation that approval be granted by the NMOCD to expand the Gissler "B" 11 Waterflood Project by injection of water into nine aforementioned additional wells.

Should you have additional questions concerning this letter, please call David Glass at (505) 622-9042.

Sincerely,

Armando A. Lopez
Assistant District Manager,
Minerals
