Re: Application of Yates Petroleum

Pig "AET" Well No 3  
NEED Case 10559

Dear Mr. Stogner:

On behalf of Conoco Inc., I filed an objection to the administrative application of Yates Petroleum Corporation which resulted in the referenced case being docketed for hearing on July 25, 1991.

Today, Mr. Carroll on behalf of Yates Petroleum Corporation and I on behalf of Conoco have reached a settlement of the dispute and Conoco is hereby withdrawing its objection.

It is my understanding that only Conoco objected to this case. Accordingly, we would appreciate your assistance in having this case withdrawn from the Division hearing docket and returned to administrative processing. This would avoid having Mr. Carroll and his witness attend the hearing of a case which should now be eligible for administrative processing.

If a hearing is still required, I would appreciate you calling Mr. Carroll to advise him of that fact.

Very truly yours,

  
W. Thomas Kellahin
