Re: Application of Collins & Ware, Inc. for Compulsory Pooling, Eddy County,
New Mexico

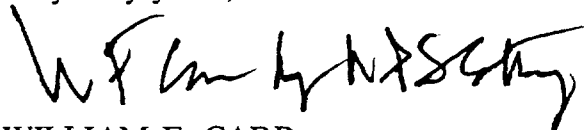

Gentlemen:

This letter is to advise you that Collins & Ware, Inc. has filed an application with the New Mexico Oil Conservation Division seeking the force pooling of all mineral interests in all formations developed on 320-acre spacing in the S/2 of Section 25, Township 23 South, Range 28 East, N.M.P.M., Eddy County, New Mexico, from a depth of 7,000 feet to the base of the Morrow formation. Collins & Ware, Inc. proposes to dedicate the above-referenced pooled acreage to a well to be drilled to an approximate depth of 12,075 feet through the Pennsylvanian formation, Culedra Bluff Pool, at an orthodox location in the SE/4 SW/4 of said Section 25.

This application has been set for hearing before a Division Examiner on August 22, 1991. You are not required to attend this hearing, but as an owner of an interest that may be subject to pooling, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Very truly yours,

Re: Application of Collins & Ware, Inc. for Compulsory Pooling, Eddy County,
New Mexico

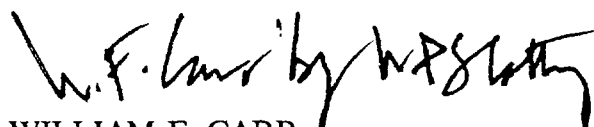

Gentlemen:

This letter is to advise you that Collins & Ware, Inc. has filed an application with the New Mexico Oil Conservation Division seeking the force pooling of all mineral interests in all formations developed on 320-acre spacing in the S/2 of Section 25, Township 23 South, Range 28 East, N.M.P.M., Eddy County, New Mexico, from a depth of 7,000 feet to the base of the Morrow formation. Collins & Ware, Inc. proposes to dedicate the above-referenced pooled acreage to a well to be drilled to an approximate depth of 12,075 feet through the Pennsylvanian formation, Culedra Bluff Pool, at an orthodox location in the SE/4 SW/4 of said Section 25.

This application has been set for hearing before a Division Examiner on August 22, 1991. You are not required to attend this hearing, but as an owner of an interest that may be subject to pooling, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Very truly yours,
