Attn: Mr. John E. Lodge

Gentlemen:

BTA proposes to request a hearing with the State of New Mexico, Energy & Minerals Department to produce both of our Maxus -B- Wells, Nos. 1 and 2 from the Atoka formation with dedication of acreage being the south half of Section 34.

BTA received order No. R-9009 dated 10-03-89 to drill the Maxus -B- #3 well in the northeast quarter of Section 34. On January 4, 1990, upon completion of the Maxus -B- #3, the Maxus -B- #2 well was shut in. Both the Maxus -B- #1 and #2 are marginal producers with well #1 producing at a current rate of 800 MCFD and the well #2 producing 325 MCFD at the time of shut in.

BTA hereby requests your signature below as a waiver of objection for producing of the Maxus B wells #1 and 2 with the dedication of the south half of Section 34 to the two wells. Please return one copy of this letter in the enclosed envelope to the undersigned at your earliest convenience.

Thank you for your time in this matter and should you have any questions, please advise.

Re: Application of BTA Oil Producers for Approval of Simultaneous Dedication,
Lea County, New Mexico

Dear Mr. Lodge:

This letter is to advise you that BTA Oil Producers has filed the enclosed application with the New Mexico Oil Conservation Division seeking authority to simultaneously dedicate wells in the S/2 of Section 34, Township 22 South, Range 34 East, Antelope Ridge-Atoka Field, N.M.P.M., Lea County, New Mexico.

This application has been set for hearing before a Division Examiner on December 19, 1991. You are not required to attend this hearing, but failure to appear at the hearing or otherwise become a party of record in this case will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Very truly yours,
