Re: DeNovo Order No. R-9678-A

Gentlemen:

Yates Petroleum Corporation recently purchased Nearburg's interest in the N/2 of Section 27, T18S-R27E, therefore, this interest is now no longer subject to New Mexico Oil Conservation Division Order No. R-9678-A. Please note your records accordingly.

Re: Application of Yates Petroleum Corporation for  
Compulsory Pooling, Eddy County, New Mexico

Dear Mr. LeMay:

Enclosed for filing, please find three copies of the Application of Yates Petroleum Corporation for compulsory pooling in Eddy County, New Mexico.

As you will note, this application is made for the same half-section and proration unit as the application in Case No. 10467 for the Chalk "AKH" No. 23 Well filed previously. Yates' purpose in filing is to provide at the hearing alternative locations. The prior application, Case No. 10467, was for an unorthodox location. This application is for an orthodox location. At this time there appears to be some dispute between the parties as to which location would be better. By filing the two applications, Yates hopes to present alternative locations, and that prior to the hearing to gain a consensus as to the location of the well. At this time we do not have such a consensus, and are therefore asking that this application and the application in Case No. 10467 be advertised as alternative applications for hearing.

~~We ask that this case be set for hearing before an examiner on April 16, 1992, along with No. 10467, and that we be furnished a copy of the docket for said hearing.~~

*Ernest Carroll  
requested that this  
case be continued  
to April 30.*

Yours truly,

LOSEE, CARSON, HAAS &amp; CARROLL, P.A.
