Re: Application of Enron Oil & Gas Company for Compulsory Pooling, Lea  
County, New Mexico

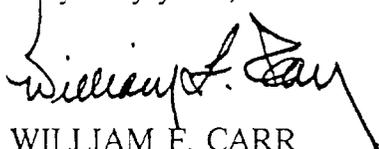

Gentlemen:

This letter is to advise you that Enron Oil & Gas Company has filed the enclosed application with the New Mexico Oil Conservation Division seeking the force pooling of certain mineral interests in all formations to the base of the Morrow formation, in and under the N/2 of Section 1, Township 25 South, Range 33 East, N.M.P.M., Lea County, New Mexico. Enron Oil & Gas Company proposes to dedicate the referenced pooled unit to a well to be located at a standard location in the N/2 of Section 1.

This application has been set for hearing before a Division Examiner on July 23, 1992. You are not required to attend this hearing, but as an owner of an interest that may be subject to pooling, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Very truly yours,
