Nelson Well No. 1 Lease SF-081100-A
990' FNL, 1090' FEL, Section 8, T26N, R12W
San Juan County, New Mexico

Dear Mr. Stogner:

Per today's telephone conversation with Ernie Bush regarding offset operator concerns that salt water injection into this well's proposed zone could impair offset Gallegos Gallup producing wells, BK Petroleum, Inc. desires to withdraw our September 28, 1992 Form C-108 Application for Authorization to Inject (Scheduled Examiner Hearing -Thursday December 3, 1992, Case 10600).

BK Petroleum, Inc. will review alternate uphole injection zones in this well and resubmit our Form C-108 Application for a different injection zone at a later date.

Sincerely,

Mildred L. Kuchera
