STATEMENT OF CASE

APPLICANT

(Please make a concise statement of what is being sought with this application and the reasons therefore.)

OPPOSITION OR OTHER PARTY

(Please make a concise statement of the basis for opposing this application or otherwise state the position of the party filing this statement.)

Devon Energy Corporation will seek dismissal of its interest in the subject acreage from the pooling application since its interest is governed by an operating agreement with Mewbourne. In the alternative, Devon will request this case be continued until the effect of this operating agreement can be determined by the courts.

If the case is heard on January 21, 1993, Devon will seek provisions in the pooling order which delay its election until after the well which Mewbourne is drilling in the E/2 of Section 35 is drilled and completed.
