The following documents are enclosed:

A copy of the above referenced Application without Exhibits with its cover letter and proposed OCD Advertisement

PLEASE:

 x Per your request. This document was filed with the OCD on March 10, 1993. Tom, now recollects that you stamped this document "Received" for him, because he remembers telling you that all the Exhibits were not yet ready and we would have to send them later. As you confirmed on the phone, three sets of Exhibits for this case were hand delivered to you yesterday.

Please make sure that we are on the April 8, 1993 Docket. If you require the "Received" stamped document we can have Meridian in Farmington fax it to us. Please call if you need anything else.

Sincerely,

A handwritten signature in cursive script, appearing to read "Jay Laubscher".
