Re: Application of West Largo Corporation for Compulsory Pooling, Sandoval
County, New Mexico (Alamos Canyon #11)

Dear Mr. LeMay:

Enclosed is the Application of West Largo Corporation for Compulsory Pooling for
a Chacra well drilled at a standard location in the SW/4 of Section 4, T-21-N, R-6-W,
NMPM, Sandoval County, New Mexico.

On behalf of the Applicant, West Largo Corporation, we ask that this matter be set
for examiner hearing on June 23, 1994.

Very truly yours,

MILLER, STRATVERT, TORGERSON
& SCHLENKER, P.A.

BEFORE THE
OIL CONSERVATION DIVISION
ENERGY, MINERALS, AND NATURAL RESOURCES DEPARTMENT

IN THE MATTER OF THE APPLICATION OF
WEST LARGO CORPORATION FOR COMPULSORY
POOLING, SANDOVAL COUNTY, NEW MEXICO.

CASE NO. 11002

APPLICATION

WEST LARGO CORPORATION by its undersigned attorneys, Miller, Stratvert, Torgerson & Schlenker, P.A., hereby makes application pursuant to Section 70-2-17, N.M.S.A. (1978) for an order pooling all of the mineral interests in the Chacra formation for development on standard 160-acre spacing in and under the SW/4 of Section 4 in Township 21 North, Range 6 West, N.M.P.M., Sandoval County, New Mexico, and in support thereof would show the Division:

1. Applicant owns certain working interests in and under the SW/4 of Section 4, and Applicant has the right to drill thereon.
2. Applicant proposes to dedicate the above-referenced pooled unit to its Alamos Canyon No. 11 well drilled at a standard gas well location 850 feet from the south line and 820 feet from the west line (Unit M) of said Section 4.
3. Applicant has been unable to obtain voluntary agreement for pooling or farmout from all other interest owners in the SW/4 of said Section 4.
4. Said pooling of interests will avoid the drilling of unnecessary wells, will prevent waste and will protect correlative rights.

5. In order to permit the Applicant to obtain its just and fair share of the oil and gas underlying the subject lands, the mineral interests should be pooled, and Applicant should be designated the operator of the well.

WHEREFORE, Applicant prays that this application be set for hearing before a duly appointed examiner of the Oil Conservation Division on June 23, 1994, and that after notice and hearing as required by law, the Division enter its order pooling the lands, including provisions for Applicant to recover its costs of drilling, equipping and completing the well, its costs of supervision while drilling and after completion, including overhead charges, and imposing a risk factor for the risk assumed by the Applicant in drilling, completing and equipping the well, and making such other and further provisions as may be proper in the premises.
