Gentlemen:

Oryx has made an application for permit to drill the captioned unorthodox location. This location is 660' to the nearest end boundary. Statewide Rule 104 states that distance to end boundary should be no closer than 1980'.

If you, as an offset operator of this lease, have no objections to the drilling of this location, please sign the waiver below. Return self addressed-stamped envelopes are enclosed for your convenience.

Should you have any questions on this location, please contact Shelly Lane, Geologist, at A/C 915-688-0525.

Yours truly,

Maria L. Perez

Attention: William J. LeMay

Amoco Production Company has been advised that Oryx Energy Company has made application to complete their Ojo Chisco Federal No. 3 well in the Atoka Ridge - Atoka Gas Pool at the above stated unorthodox location.

This is advise that, as an offset operator, Amoco has no objection to Oryx Energy Company's application for an unorthodox well location.

Yours very truly,

James F. Trickett
