STATEMENT OF CASE

APPLICANT

(please make a concise statement of what is being sought with this application and the reasons therefore.)

Applicant has been unable to get three individuals to sign the BLM communitization agreements for the subject well despite the fact that the working interest of these same three individuals has already been contractually committed to the well.

In order to commit the record title interest of these parties in the absence of signature, the BLM requires a compulsory pooling order.

This is not the pooling of a working interest and, therefore, no issue about risk factor, AFE, overhead rates, etc. is involved.

OPPOSITION OR OTHER PARTY

(Please make a concise statement of the basis for opposing this application or otherwise state the position of the party filing this statement)
