Re: Application of Mesa Operating Limited Partnership for  
Compulsory Pooling, San Juan County, New Mexico, NMOCD  
Case No. 10118, Order No. R-9347 (FC Fed Com #43)

Dear Mr. LeMay:

On behalf of the applicant in the above case, we respectfully request that the deadline for commencement of drilling operations be extended for 90 days from the current expiration date in the compulsory pooling order. The Order, which was issued on November 7, 1990, expires on January 31, 1991 if drilling operations are not commenced on or before that date.

Rig scheduling problems and inclement weather have delayed the drilling of this well which is part of Mesa's Fruitland Coal drilling program in the San Juan Basin.

Should you require additional information concerning this request, please contact me.

Thank you for your consideration.

Very truly yours,

J. Scott Hall
