Re: Application of Yates Petroleum Corporation

Rule for the Avalon Delaware Pool

Gentlemen:

This office represents Yates Petroleum Corporation. On October 12, 1990, the above-referenced Application was sent for filing by Yates Petroleum Corporation for an Order by the Oil Conservation Commission to establish a Special Rule for the Avalon Delaware Pool. A copy of that Application is enclosed for reference. A date for the hearing has not been set as of this time, however, once a date is obtained, I will notify you of that hearing date. Any party wishing to appear must file a prehearing statement by the Friday prior to the date of hearing, and any party wishing to receive other parties' prehearing statements or pleadings must file an entry of appearance. I would request that you notify us whether or not you will protest the proposed amendment referred to herein. If you do not intend to protest said Application, enclosed you will find a waiver whereby you can make that decision known, and if you will return said waiver to us, we will file it in this case, therefore alleviating the necessity of your attendance at the hearing on the matter.

Very truly yours,
