

McKay Oil Corporation
West Fork Unit # 5
NE/4 Section 25, T-5S, R-21E
660' FNL, 460' FEL 160 acres
Chaves County, New Mexico

Propose to drill a 500' horizontal bore hole in the SW quadrant from the vertical well bore in the NE/4 of section 25. The bore hole will remain within the 660' limitations of the section lease lines but will exceed the 330' limitations of the 1/4 - 1/4 section lines.
