

This topographic map depicts a mountainous area with contour lines at 100-foot intervals, labeled 400, 500, 600, and 700. The map is overlaid with a grid of 1-minute squares, with coordinates 25, 26, 27, 34, 35, 10, 11, and 12 marked along the edges. Numerous spot elevations are scattered throughout, ranging from 421 to 741. A prominent feature is a 'PROPOSED LOCATION' indicated by a large black arrow pointing to a spot elevation of 541 in the 10-34 square. Other notable features include a shaded rectangular area in the center-right, a star symbol near elevation 559, and various symbols representing specific points of interest or structures. The terrain is characterized by steep slopes and deep valleys, with the highest elevations in the upper left and lower right corners.
