NMOCD Case 8192

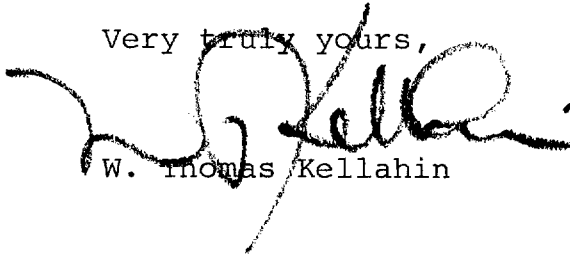

OIL CONSERVATION DIVISION

Dear Mr. Stogner:

In accordance with your request at the hearing of the above referenced case on May 23, 1984, please find enclosed a plat of each of the two well locations in the area. The only well within the area of the oil treating plat facility is the U. S. Operating Inc. Leavelle Well #1 in Unit B of Section 23.

Please call me if you need anything further.

Very truly yours,

W. Thomas Kellahin

Re: Veno Energy
NMOCD Case No. 8192

Dear Mr. Kellahin:

In reviewing the plat of the two wells within the area of the oil treating plant and Exhibit No. 2, which is not in the correct location as advertised, I am even more confused as to the actual area that the proposed treating plant encompasses. Please submit to me a plat similar to Exhibit No. 2 which shows footage locations, roads and wells, and a schematic of the actual proposed treating plant layout also with footage locations.

Please contact me if there are any questions concerning this matter. Thank you.

Sincerely,

A handwritten signature in black ink, reading "Michael E. Stogner".

Re: Veno Energy
NMOCD Case 8192

Dear Mr. Stogner:

In accordance with our conversation on Friday, please withdraw Hearing Exhibit #2 which was erroneously used at the hearing. This exhibit is for another tract of land and is not the subject of this application.

Please find enclosed a new Exhibit #2 which correctly shows the only 2 wells in the area of the Oil Treating Plant:

- (a) The U. S. Operating Inc. Leavelle Well No. 1.
- (b) Delaware Apache Corp Stokes Well No. 1.

I have enclosed copies of the Division Form C-102 for each of those wells.

The well that is closest to the plant is the Leavelle well which I understand is no longer a producing well.

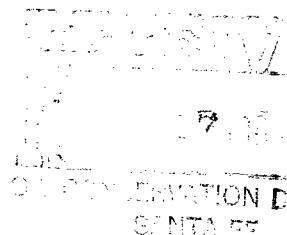

Please call me if you have any questions.

Very truly yours,

W. Thomas Kellahin
