RE: ENSTAR Petroleum Company - McClure "E" #1
Proration Unit: SW/4 SE/4 Section 14,
T-15-S, R-37-E, Lea County, New Mexico

Gentlemen and Mesdames:

ENSTAR drilled the subject well to TD 9550', PBTD 9360' at a location 1980' FEL and 860' FSL of Section 14. Same was potentialed 2-12-84 for 60 barrels oil per day, 56 MCF gas and 40 barrels water. Production is from the Wolfcamp zone. Other McClure wells, previously operated by McAlester Fuel, produce from the Devonian formation. The new well is in Denton (Wolfcamp) Field and the required proration unit, under Statewide Rules, is 40 acres.

Since 1/2 of the royalty under the 40 acre proration unit is separately owned, we must pool these interests. Prior to instigating forced pooling proceedings before the New Mexico Conservation Division, we ask your consideration of voluntary pooling by executing the enclosed instrument, styled "Royalty Pooling and Stipulation of Interest Agreement". Patricia Penrose Schieffer and Estate of J. M. Leonard own 1/2 under the W/2 of SW/4 SE/4. All other parties shown on the enclosed instrument own under the E/2 of SW/4 SE/4.

It would be appreciated if you would execute and return one copy of instrument attached as soon as possible. Pooling must be accomplished prior to preparation of our division orders and disbursement of revenues to the owners. Please be in touch with the undersigned if you have questions or need other information.

Very truly yours,

Ms. Danie Lebow, CPL

Dear Ms. Lebow:

We have your letter of March 27 with the Pooling Agreement enclosed.

Based upon our investigation of the matter, the interest shown for Atwood and Malone, a partnership, is correct if the Oil and Gas Lease under which you are operating bears a 1/8 royalty.

I enclose one executed copy of the Agreement, but this is delivered to you upon the understanding that you will, by return mail, furnish to the undersigned a photocopy of the Oil and Gas Lease upon E/2 SW/4 SE/4, Section 14. We do not know the name of the lessor in that lease. If the lessor was not Atwood and Malone, a partnership, then the lessor may have been Turner, Moore, Johnson-Walker Oil Company, Ramsland, Wynn, Barnes or C.E. Marsh, II, Trustee. Atwood and Malone obtained their interest from those parties.

We await your advice.

Very truly yours,

Charles F. Malone

Dear Mr. Malone:

Thank you for your prompt return of the executed Pooling Agreement covering the interest of Atwood and Malone in and under the subject unit.

Your transmittal letter of March 29th requires that we furnish to you copy of the oil and gas lease covering this interest. Same is hereto attached. I regret that my only copy of this lease is "black and white"; however it did seem to copy rather well and I do hope it will suffice for your purposes.

Again, we express our appreciation for your help.

RE: Royalty Pooling - McClure "E" #1

Lea County, New Mexico

Dear Mr. Terrell:

Thank you for the return of Royalty Pooling and Stipulation of Interest Agreement executed by yourself. In this regard could you please advise me of your marital status.

Under the law of the State of New Mexico, any instrument placed in any county record must be executed by both owner and spouse in the event that said owner is married. Otherwise, the instrument is of no force and effect. In the event that this interest is your separate property, we must revise the pooling agreement to show this fact.

It would be greatly appreciated if you would reply by return mail.

Very truly yours,

Dear Mr. Sumpf:

We have today received Royalty Pooling and Stipulation of Interest Agreement executed by yourself. To comply with the laws of the State of New Mexico, any instrument must be executed by both owner and spouse in the event that said owner is married. In the event that this is your separate property, we must so state in the agreement. Could you please advise by return mail as to these matters.

Instruments mailed to Louise S. Sumpf, 40101 Avenue 10, Fresno, California and to Mary Helen Mason, 5937 East Butler Avenue, Fresno, California have been returned to us by the Post Office. If you happen to know the correct addresses for these ladies, would you be kind enough to let us know by return mail.

Thank you very much for your help.
