Re: Third Request for Supplemental Information Division Case No. 8411
Heard November 28, 1984
Application of GGC, Inc. for an oil treating plant permit, Section 29, Township 9 South, Range 33 East, NMPM. Lea County, New Mexico

Dear Mr. Scott,

Attached please find a base map of said Section 29, if you or your client would please indicate on this plat the lands owned by GGC, Inc. and the placement of their proposed treating plant. This information is needed so that an order may be completed, if this information is not supplied within the next two weeks it will be assumed that GGC, Inc. no longer desires approval for this application and it shall be dismissed.

Thank you for your understanding and cooperation.

Sincerely

RE: Case No. 8411:GGC, Inc. for an Oil
Treating Plant Permit, Lea County,
New Mexico.

Dear Mr. Carr:

The information that was submitted on December 26, 1984 was not quite what I needed, the information I need to complete an Order for this Case is a map of Section 29, Township 9 South, Range 33 East, NMPM, Lea County, New Mexico, showing the aerial extent of the proposed treatment plant within that section.

I apologize for the delay this has caused.

Sincerely,

Dear Mr. Carr:

In reviewing said Case file that came before hearing on November 28, 1984,
please supplement this file with a land plat of the area showing the extent
of the proposed treating plant facilities.

Thank you.

Sincerely,
