Gentlemen:

This letter is to notify you as an offset operator or as an owner of operating rights in the Grayburg-San Andres formation of the Application of Marbob Energy Corporation before the Oil Conservation Division of the State of New Mexico, a copy of which is attached to this letter as Exhibit "A".

As you can observe from the Application, Marbob Energy Corporation, as operator of the property described in Exhibit "A" to the Application, is seeking (a) permission to drill wells at 3 unorthodox locations, (b) permission to apply to and receive the approval of OCD administratively for future unorthodox oil well locations within the Subject Area, and (c) a finding that infill wells are necessary to effectively and efficiently drain production units within the Subject Area. In no event will any well be drilled closer than 330 feet to the outer boundary of a lease, or in the case of a unit, unitized area, nor closer than 10 feet to any quarter-quarter section line or subdivision inner boundary.

If you have no objections to the Application of Marbob Energy Corporation attached hereto and the matters contained therein, please signify your waiver of objection by executing one copy of this letter in the space provided below, returning it to us in the stamped addressed envelope provided. The hearing has tentatively been set for December 19, 1984 and we would greatly appreciate your assistance in returning the waiver of objection as soon as possible.

Gentlemen:

This letter is to notify you as an offset operator or as an owner of operating rights in the Grayburg-San Andres formation of the Application of Marbob Energy Corporation before the Oil Conservation Division of the State of New Mexico, a copy of which is attached to this letter as Exhibit "A".

As you can observe from the Application, Marbob Energy Corporation, as operator of the property described in Exhibit "A" to the Application, is seeking (a) permission to drill wells at 3 unorthodox locations, (b) permission to apply to and receive the approval of OCD administratively for future unorthodox oil well locations within the Subject Area, and (c) a finding that infill wells are necessary to effectively and efficiently drain proration units within the Subject Area. In no event will any well be drilled closer than 330 feet to the outer boundary of a lease, or in the case of a unit, unitized area, nor closer than 10 feet to any quarter-quarter section line or subdivision inner boundary.

If you have no objections to the Application of Marbob Energy Corporation attached hereto and the matters contained therein, please signify your waiver of objection by executing one copy of this letter in the space provided below, returning it to us in the stamped addressed envelope provided. The hearing has tentatively been set for December 19, 1984 and we would greatly appreciate your assistance in returning the waiver of objection as soon as possible.

Please do not hesitate to contact Kevin Bliss or me should you have any questions. Thank-you for your cooperation.

Very truly yours,

Gentlemen:

This letter is to notify you as an offset operator or as an owner of operating rights in the Grayburg-San Andres formation of the Application of Marbob Energy Corporation before the Oil Conservation Division of the State of New Mexico, a copy of which is attached to this letter as Exhibit "A".

As you can observe from the Application, Marbob Energy Corporation, as operator of the property described in Exhibit "A" to the Application, is seeking (a) permission to drill wells at 3 unorthodox locations, (b) permission to apply to and receive the approval of OCD administratively for future unorthodox oil well locations within the Subject Area, and (c) a finding that infill wells are necessary to effectively and efficiently drain proration units within the Subject Area. In no event will any well be drilled closer than 330 feet to the outer boundary of a lease, or in the case of a unit, unitized area, nor closer than 10 feet to any quarter-quarter section line or subdivision inner boundary.

If you have no objections to the Application of Marbob Energy Corporation attached hereto and the matters contained therein, please signify your waiver of objection by executing one copy of this letter in the space provided below, returning it to us in the stamped addressed envelope provided. The hearing has tentatively been set for December 19, 1984 and we would greatly appreciate your assistance in returning the waiver of objection as soon as possible.

Please do not hesitate to contact Kevin Bliss or me should you have any questions. Thank-you for your cooperation.

Very truly yours,
