Are there appearances in this

MR. QUINTANA: Are there other

If not, Mr. Expert Witness,  
would you please stand and be sworn?

(Witness sworn.)

MR. QUINTANA: Okay. In that

1 ROY JOHNSON,  
2 being called as a witness and being duly sworn upon his

5 DIRECT EXAMINATION

6 BY MR. TAYLOR:

7 Q Would you please state your name and  
8 position for the record?

9 A My name is Roy Johnson. I'm a geologist  
10 for the Oil Conservation Division in Santa Fe.

11 Q Mr. Johnson, have your qualifications  
12 previously been accepted and have you testified before this  
13 Commission before?

14 A They have.

15 Q Are you prepared to make recommendations  
16 to the Commission concerning the nomenclature of certain  
17 pools in Sandoval County and in Lea, Roosevelt, and Chaves  
18 Counties, New Mexico?

19 A I am.

20 Q Are your recommendations prepared in the  
21 form of an exhibit?

22 A They are.

23 Q And what number are you getting ready to  
24 testify to?

25 A For the one in Sandoval County it's

1 listed as Exhibit A and for the one in Lea and Roosevelt  
2 County it will be Exhibit One.

3 Q Does that also include Chaves County?

4 A Chaves County.

5 Q Okay. That is Exhibit A and Exhibit One?

6 A That's right.

7 Q Okay. Will you please refer first to Ex-  
8 hibit A and to the docket that's been prepared and distri-  
9 buted at the hearing and point out any differences between  
10 the two?

11 A There are no substantial differences be-  
12 tween the two.

13 Q Okay, so the advertisement for Case 8560  
14 is accurate in comparison.

15 A Yes, sir.

16 Q As to Exhibit One for Lea, Roosevelt, and  
17 Chaves Counties, would you refer to the exhibit and to the  
18 docket that's been prepared and distributed at the hearing  
19 and point out any differences between the two?

20 A There are no differences; however, we  
21 would like to dismiss Paragraph (o), the Grama Ridge-Morrow  
22 Gas extension.

23 Q Okay, so we're going to delete (o), which  
24 is Township 22 South, Range 34 East, Section 10, the east  
25 half; delete that?

1           A           Yes, sir.

2           Q           Do you have anything further to add to  
3 your testimony?

4           A           I do not.
