Re: D. E. Shipp Estate #1 & #2 Wells  
NE/4 of Section 4-17S-37E  
Lea County, New Mexico

Dear Mrs. Ward:

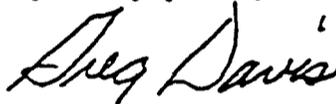

Joe Nobles called me September 23, 1985, and inquired about our proposals to drill the referenced wells. He informed me that he was recommending you participate in the drilling of the wells.

Accordingly, enclosed please find two (2) AAPL Form 610-1982 Operating Agreements covering the W/2 NE/4 (Shipp Est. #1) and E/2 NE/4 (Shipp Est. #2) of Section 4-17S-37E. As you will note, the commencement date in Article VI.A. Initial Well, has not been inserted and Exhibit "A" is not completed. As soon as we have determined who is participating in our proposed wells, you will be provided with completed, substitute pages.

Should you decide to participate, please return a signed AFE and signature page to the operating agreement for each well. Upon receipt of same, you will be dismissed from our scheduled forced pooling hearings.

Should you have any questions, please feel free to contact me.

Very truly yours,

Greg Davis  
Landman
